Blood she must have ; save your own
if you can.

Ndkshatra

But she wants King's blood.

Gunavati

Who told you that ?

Nakshatra

I know it from one, to whom the
Goddess herself sends her dreams*

Gunavati

Then that boy must die for the
King. His blood is more precious to
your brother than his own, and the
King can only be saved by paying
the price, which is more than his life.

Nakshatra

I understand.
